WORK EXPERIENCE (your most impressive thing needs to be first, period – i.e., no vague summaries)

SheetsResume.com

Aug. 2023 – Present

Co-Founder

Remote

- [SheetsResume.com](#) is an online repository of free and paid resume and job seeking resources used by millions.
- Ideation, product management, & marketing for AI-powered [Resume Builder](#), [Cover Letters](#), & [Mock Interviews](#).
 - **Stack:** JavaScript (React); PHP (Laravel + Inertia); Linux (Ubuntu); Nginx; OpenAI; Gemini; MySQL
- Core responsibility #3. Pretend this is where they stop reading your resume. You've got 10 seconds. Use them.

Company Name #2

Oct. 2017 – Jul. 2023

Job Title (can slightly tweak titles based on what you're applying for – no one will find out or care)

City, ST

- Lead with a company overview to borrow validity from the company's numbers to anchor the screener on something super impressive. E.g., sales, market cap, Fortune 500 status, # of users, # of employees, \$ raised, etc.
- As [role], I [core responsibilities that match the job description, including some high-level numbers if impressive].
 - **Key Results:** Use sub-bullets to list quantifiable key results for specific projects or responsibilities. E.g., revenue, cost savings, man hours saved, partners onboarded, customers/users acquired, review rating, etc.
 - Sub-bullets are for more detail if needed, like KPIs, your tech stack, notable clients, or project examples.

Company Name #3

Month Year – Month Year

Job Title

City, ST (or just put "Remote")

- Core responsibility / achievements / summary of job or company. Abbreviate all month names ("Jul." not "July").
 - **Key Result:** Nest further context as sub-bullet points to really highlight an important top-level bullet.
- Core responsibility #2. Bold and italicize words very sparingly: "When everyone is super, no one will be."

Company Name #5

Month Year – Month Year

Current Job Title | Month, Year – Present

City, ST

- If you've been promoted / have held multiple titles at one company, put dates in italics next to each title like so.
- Core responsibility #2. As the jobs get older in your timeline, they're less relevant and need fewer bullet points.

Prior Job Title | Month, Year – Month, Year

- "Prior to my promotion to [current title], I..." core responsibility #1. Older job, less relevancy, 1 bullet is fine.

Company Name #6

Month Year – Month Year

Job Title

City, ST

- Core responsibility #1. Even older job. For past jobs with zero relevance, save space and skip any bullet points.

EDUCATION (for early-career candidates with less work experience, you can put this section first before WORK)

University Name

Graduation Month, Year

Degree (e.g., B.S.), Majors (e.g., Computer Science)

City, ST

- **GPA: 3.X/4.0** (list only if GPA is over 3.3); list any honors like *Summa Cum Laude* or Economics Honors Society

CERTIFICATIONS, SKILLS & INTERESTS (can put Skills / Certifications first if transitioning your career)

- **Certifications:** If you have relevant ones; otherwise delete this bullet point + "**CERTIFICATIONS**" above
- **Technologies:** If you have a lot of hard skills vs soft skills, you can break them out into two different bullets.
- **Skills** (*plug in your own and rearrange depending on role*): Strategic Planning; Brand Marketing; Copywriting; Hiring
- **Interests** (*makes them see you as human / coworker*): Camping; Composting; Yoga; Traveling; Fishing; Reddit; *Seinfeld*

Made for you with love by [Colin McIntosh](#). Please pay it forward, and share [SheetsResume.com](#) with others who can also benefit from it ☺
If you still need more resume help, try our [AI Resume Builder](#) or join our subreddit [/r/SheetsResume](#) and follow [@SheetsResume on YouTube](#).
Delete this footer, plug in your own info above, adjust margins so it's even, save as **FirstName LastName Resume**, and go get your dream job!
